 - 4.1.7 Personal data shall be kept secure i.e. protected by an appropriate degree of security;
 - 4.1.8 Personal data shall not be transferred to a country or territory outside the European Economic Area, unless that country or territory ensures an adequate level of data protection.

 - 5.1.4 Ensure that information is not retained for longer than is necessary
 - 5.1.5 Ensure that when obsolete information is destroyed that it is done so appropriately and securely
 - 5.1.6 Ensure that clear and robust safeguards are in place to protect personal information from loss, theft and unauthorised disclosure, irrespective of the format in which it is recorded

8. Procedures for responding to subject access requests made under the Data Protection Act 1998

- 8.1 Rights of access to information
There are two distinct rights of access to information held by the Trust and its academies:
 - 8.1.1 Under the Data Protection Act 1998 any individual has the right to make a request to access the personal information held about them.
 - 8.1.2 The right of those entitled to have access to curricular and educational records as defined within the Education Pupil Information (Wales) Regulations 2004.
- 8.2 These procedures relate to Subject Access Requests made under the Data Protection Act 1998.

9. Actioning a Subject Access Request

- 9.1 Requests for information must be made in writing; which includes email, and be addressed to the Trust CEO or Headteacher/Principal. If the initial request does not clearly identify the information required, then further enquiries will be made.
- 9.2 The identity of the requestor must be established before the disclosure of any information, and in the case of requests for information about a pupil, checks should also be carried out regarding proof of relationship to the child.
- 9.3 Evidence of identity can be established by requesting production of:
 - 9.3.1 Passport
 - 9.3.2 Driving licence
 - 9.3.3 Utility bills with the current address
 - 9.3.4 Birth / Marriage certificate
 - 9.3.5 P45/P60
 - 9.3.6 Credit Card or Mortgage statement

This list is not exhaustive.

- 9.4 Any individual has the right of access to information held about them. However with children, this is dependent upon their capacity to understand (normally age 12 or above) and the nature of the request. The Principal/Headteacher should discuss the request with the child and take their views into account when making a decision. A child with competency to understand can refuse to consent to the request for their records. Where the child is not deemed to be competent an individual with parental responsibility or guardian shall make the decision on behalf of the child.
- 9.5 The Trust/Academy may make a charge for the provision of information, dependent upon:
 - 9.5.1 Should the information requested contain the educational record then the amount charged would be dependant upon the number of pages provided.
 - 9.5.2 Should the information requested be personal information that does not include any information contained within educational records schools can charge up to £10 to provide it.
- 9.6 If the information requested is only the educational record viewing will be free, but a charge not exceeding the cost of copying the information can be made by the Principal/Headteacher.
- 9.7 The response time for Subject Access Requests, once officially received, is 40 calendar days (irrespective of school holiday periods). However, if a charge is to be made, the 40 day period will not commence until after receipt of fees or clarification of information sought.
- 9.8 The Data Protection Act 1998 allows exemptions as to the provision of some information; therefore all information will be reviewed prior to disclosure.

- 9.9 Third party information is that which has been provided by another, such as the Police, Local Authority, Health Care professional or another school. Before disclosing third party information consent should normally be obtained. There is still a need to adhere to the 40-day statutory timescale.
- 9.10 Any information which may cause serious harm to the physical or mental health or emotional condition of the pupil or another individual should not be disclosed, nor should information that would reveal that the child is at risk of abuse, or information relating to court proceedings.
- 9.11 If there are concerns over the disclosure of information then additional advice will be sought.
- 9.12 Where redaction (information blacked out/removed) has taken place then a full copy of the information provided should be retained in order to establish, if a complaint is made, what was redacted and why.
- 9.13 Information disclosed should be clear, thus any codes or technical terms will need to be clarified and explained. If information contained within the disclosure is difficult to read or illegible, then it should be retyped.
- 9.14 Information can be provided at the academy with a member of staff on hand to help and explain matters if requested, or provided at face-to-face handover. The views of the applicant should be taken into account when considering the method of delivery. If postal systems have to be used then registered/recorded mail must be used.

10. Complaints

- 10.1 Complaints about the above procedures should be made to the Chair of the BAET Board/Chair of the Academy LGB who will decide whether it is appropriate for the complaint to be dealt with in accordance with the school's complaint procedure.
- 10.2 Complaints that are not appropriate to be dealt with through the school's complaint procedure can be dealt with by the Information Commissioner. Contact details of both will be provided with the disclosure information.

11. Contacts

- 11.1 If you have any queries or concerns regarding these policies / procedures then please contact the CEO or Principal/Headteacher as appropriate.
