Learning for Life: Motivation, Focus, Independence, Resilience, Reflection, Courage.

We are a Christian Values based school. We create an environment in which children love to learn, where they drive the choices made about their learning and where they develop social and relationship skills which will last throughout their lives.

Our value for October is Appreciation.

Netball report

Report from Mr. Smith:

"This week saw Bitterley fighting back in the netball following a tough opening fixture against Ludlow, with a match against Orleton. Although only managing to field 6 players, 3 of which only playing their second ever game of football, the team showed great spirit and had clearly been listening in practice this week.

Unfortunately we still lost 10-3 but there were many positives; Jonah scored his first goal for the team and every single player showed great heart with Hattie leading the way and making sure she won every single 50/50 that was on offer. If the team continue to progress at the speed they have this week, then a win won't be far away. Well done all!"

Children's page

"I enjoyed playing with the trains outside. Me and Issac played with them together". Oliver, Class 1.

"I have been making diaries and practising using my sounds when I write in them! It was wonderful". Xanthe, Class 2.

"In Literacy we did some writing about different foods. We could see, touch and smell the food". Dylan, Class 3.

"On our trip to the Discovery Centre we had lots of fun and we saw a woolly mammoth skeleton and saw a balloon ride". Juliette, Class 4.

"This week we have made abstract art. It was really fun". Lily B., Class 5.

Star of the week

Class 1: Leah for trying her best when writing her name.

Class 2: Jodie for being so kind and thoughtful and for being such a good friend.
