Learning for Life: Motivation, Focus, Independence, Resilience, Reflection, Courage.

We are a Christian Values based school. We create an environment in which children love to learn, where they drive the choices made about their learning and where they develop social and relationship skills which will last throughout their lives. Our value for January is Freedom.

Star of the Week

Class 1: Leah for trying really hard to write her name.

Class 2: Zack for his fantastic fine motor skills in our threading activities.

Class 3: Dylan for his excellent focus towards his learning.

Class 4: Connie for her positive attitude to her learning and her neat, tidy presentation of all work.

Class 5: Finn for making excellent progress in maths and reading.

Congratulations to William who received his ASA 800m swimming award. He also successfully completed a swimming challenge in which he had to dive, swim 4 lengths in 3 minutes and tread water for 2 minutes!

Well done to Matthew who beat his coach during a quad bike race where he went at 22mph!

Well done to Will who received a Swimmer of the Week award for "Brilliant back crawl and excellent technique".

Very well done to Finn who has received his ASA 50 m swimming badge.

Well done to Holly who swims with Ludlow Swimming Club and who received a Swimmer of the Week award for "her front crawl and for great effort".

Congratulations to Emma who has received 23 Brownie badges during her time attending Brownies.

Cold weather

The photo below shows the wintery scene at school this morning. If the weather is snowy or icy, please make sure that you send your children dressed ready for the conditions.

Some children were not able to get to school this morning. Our advice is always that, if it is too dangerous to travel then don't! Stay at home and stay safe.

Children's page

"I drew a treasure map. My friends are going to find the treasure with me!" Oliver, Class 1.

"I have enjoyed making a huge rocket. It has a tin foil top and silver chairs!" Joe, Class 2.

"I have really enjoyed showing pictures of how we have grown up and looking how we are now!" Lola, Class 3.

"Electricity can be made by using wave power, solar panels, wind turbines and by burning coal". Archer, Class 4.

"In art we have been doing mugshots which was really fun. They are on display in the corridor!" Kyle, Class 5.

Violin & Guitar lessons

We currently have a number of pupils receiving violin and guitar lessons delivered by Shropshire Music Service teachers. If any pupils in Year 2 and above would like a 'taster lesson', please let Mrs. Rennel or Mrs. Parry know in the school office.

Birthdays

This week we have celebrated the birthday of Max.

Wanted!

If anyone has any wooden pallets that they no longer need, Mrs Wilson would like some to rebuild the bug house in our garden. Please let the school office know if you can help. Thank you.
