*Learning for Life: Motivation, Focus, Independence, Resilience, Reflection, Courage.*

We are a Christian Values based school. We create an environment in which children love to learn, where they drive the choices made about their learning and where they develop social and relationship skills which will last throughout their lives. Our value for February is Love.

### Wear it Woolly

Today we had a non-uniform day to raise money for our local Age UK branch. Children could come to school wearing anything woolly in return for a £1 donation to the charity. Thank you to those children, parents, carers and staff who donated – we raised £95.89.

### Star of the Week

Class 1: Alex for being kind to others.

Class 2: Travis for his fantastic signing work.

Class 3: Olivia C. for showing all of our learning behaviours and being a good role model.

Class 4: Katie for her motivation and resilience in running the Lucton Cross Country race.

Class 5: Klara for excellent knowledge and understanding of liturgy.

### Achievement Assembly

Well done to Zack who was awarded his Swimmer of the Week certificate for "Fantastic listening and swimming on your front and back". Well done to Kelsey, Ragon, Olivia and Callum who participated in a Limbo Challenge last weekend!

Very well done to Martha, Millie, Megan, Bethany, Olivia and Saffron who were selected to represent the school in the Ludlow Family Dance Festival on Wednesday.

### Netball

Report from Mr. Smith:

"This week saw the netball team kick on from gaining their first victory 2 weeks ago and make it back to back wins. The team won 8-0 against

Orleton. The team was buoyed by the addition of some Year 6 boys in James and Bailey. It was great to see so many pupils eager to play instead of struggling for a team. Well done all!"

### Children's page

"I have enjoyed playing in the car with Oliver and Issac. I went to the park in my car!" Henry, Class 1.

"We have been learning about weighing and measuring. If the scales are level the blocks weigh the same". Hector, Class 2.

"I like learning how animals and people survive". Isla, Class 3.

"On Thursday some of Classes 4 and 5 did cross country at Lucton School. It was hard and afterwards we had a hot chocolate and a biscuit". Archer, Class 4.

"This week we were learning about the human ear in science. We had to draw a picture of the ear and explain how it works". Lily, Class 5.
