Learning for Life: Motivation, Focus, Independence, Resilience, Reflection, Courage.

We are a Christian Values based school. We create an environment in which children love to learn, where they drive the choices made about their learning and where they develop social and relationship skills which will last throughout their lives. Our value for March is Care.

School Meals

Please be advised that from Monday 24th April 2017, the price of a child's school lunch will increase to £2.10. This is to bring us in line with other Ludlow schools who have been charging £2.10 since September 2016.

Any outstanding school lunch bills need to be settled in full by Friday 31st March. Thank you.
