Learning for Life: Motivation, Focus, Independence, Resilience, Reflection, Courage.

We are a Christian Values based school. We create an environment in which children love to learn, where they drive the choices made about their learning and where they develop social and relationship skills which will last throughout their lives. Our value for January is Freedom.

Termly Information

The termly information sheets for parents and carers can now be found on the school website on the class pages. Please do take a look!

The Poppy Factory – introducing Mr Goode

We are very pleased to be supporting the Poppy Factory here at Bitterley School. The Poppy Factory is the country's leading employment charity for veterans with health conditions or impairments. They work with hundreds of disabled veterans of all ages and from all Services, helping to restore their financial independence through sustainable and rewarding work.

With the help of the Poppy Factory we will be supporting Mr Goode with some volunteering opportunities. We warmly welcome Mr Goode to our school.
