Learning for Life: Motivation, Focus, Independence, Resilience, Reflection, Courage.

We are a Christian Values based school. We create an environment in which children love to learn, where they drive the choices made about their learning and where they develop social and relationship skills which will last throughout their lives. Our value for January is Freedom.

Child Safety

On Monday we had a near miss with a child who was being dropped off at the school gate. A vehicle travelling along the road was unseen by the child who had been asked to cross the road on their own to come into school.

As a school we encourage children to be independent and we encourage parents to provide opportunities for their children to improve their independence skills. However, safety in all contexts has to be the main priority.

Please ensure that, if your children cross the road on their own, you have trained them well to deal with the hazard of moving vehicles immediately outside our school gate. Many thanks.

PTA Meeting

The next PTA meeting is taking place on Thursday 1st February, 7.00pm at The Squirrel, Ludlow. Everyone is very welcome to attend.

Netball Report from Mr. Price

Bitterley 6, Orleton 1

"We started the first half strong and Jonah and Connie were on form working well together. Connie showed true grit as usual and it was mentioned by the tournament organiser. Jonah had no problems sinking the ball in the net, even against stiffer competition. Katie asked to start as centre and did a really good job. She has played this position before but showed a real

improvement as you need to be very active and read every play.

Jocelin stepped in for Orleton playing GK and had a very good game shutting down Bitterley's players. Thank you for being a good sport Jocelin. Martha played her usual role as WA and I really think that she is the best person on the team in this position. She had a great game until she got hurt and had to retire.

Hermione was late to the game so had to play WD, a position she is not very familiar with but as always and with no complaints, took on the role and had no problem shutting down her marked player. Daniel was everywhere, he did not stop, and during the second half he and Hermione were a well drilled team.

Nobody has enthusiasm like Oliver and I am glad he got to play a whole match. If we get that focus in training, he can really help the team to become stronger.

I feel very positive with the team going forward; keep taking training seriously and we will get better still. Well done team!"

Next game: Monday 29th January, 6.00pm in Ludlow School Sports Hall playing St. Laurence's 2nds.

Star of the Week

Class 1: Jordan for excellent listening and great imaginative play with our Safari tent.

Class 1: Phoebe for exploring and having a go at new activities.

Class 2: Lola for her super knowledge of her Red, Tricky words. Well done Lola.

Class 3: Amelia for her great attitude towards her learning.
