Values

We are a Christian Values based school. We create an environment in which children love to learn, where they drive the choices made about their learning and where they develop social and relationship skills which will last throughout their lives. Our value for May is Patience.

GDPR

The personal data we hold about pupils is very important. New legislation about how this data must be treated, The General Data Protection Regulations (GDPR) takes effect from 25th May 2018.

A new data privacy notice for the school has been drawn up to reflect the GDPR and this new notice is on our website. It tells parents how we collect pupil personal information, what we use it for, who we share it with and how we keep it safe. It also tells you what rights you have over the information we hold in respect of your child.

With this in mind, we need confirmation from you as to your permissions for certain aspects of

your child's education and a signature for each permission. We are therefore sending home a form which we would ask you to complete and return to the school office as soon as possible. Thank you for your help in this matter.

Choir Concert

On Thursday afternoon our school choir performed in a small concert to which all parents were invited. Izzy took part and especially enjoyed doing the actions to the songs. Her favourite song to sing was "Better when I'm dancing".

Story mine Workshop

Years 4, 5 and 6 took part in a schools initiative this week – Story mime Workshops. They all made two door knobs out of plaster from start to finish! Whilst the door knobs were setting, they played lots of memory games which they found lots of fun. Pheobe said she enjoyed it as they had to pick a number which related to a mould and they only got to see the design of the door knob once it was set. Jonah said “I really enjoyed it - it was lots of fun and I hadn't done it before”.

BBC Radio Shropshire Interview

A few of our pupils were interviewed by a representative from BBC Radio Shropshire. They were asked what they they enjoyed most about the Story mime Workshop. Hermione told her it was great to find out how door knobs were made.

Birthdays

Today we celebrated the birthdays of Ragon, Danielle, Evan, Gabriel and Miss Pressley.

Congratulations to Evelyn who was awarded her Swimmer of the Week certificate for “Beautiful backstroke, lovely long arms and legs”.

Well done to Oliver who was given his Swimmer of the Week award with the comment “Wow, fantastic floating, kicking and holding your breath”.

Super Homework by Drew and Holly

Football results

Report from Mr. Sumner:

Whites 1-2 Reds, Blues 2-3 Greens

“Tuesday saw two mixed games, both of which were very

competitive. First the whites against the reds – some good football was played with both teams testing the goalkeepers early. It was the whites who took the lead through Oliver. The game was levelled up by Will B. and with the last kick of the game Will also got the winner for the reds.

Second up blues took on greens. It started quite one sided with the greens rushing into a two goal lead through Oliver and Nicholas. Will B. pulled one back before Oliver got his second to try and kill the game off but no-one gave up. Will B. got the blues second to make for an interesting last few minutes, but it came to nothing as they couldn't find the equalizer. Players of the night were Will B., Daniel and Connie”.

Number of the week for Class 1

For week commencing 4th June is: 7
