Values

We are a Christian Values based school. We create an environment in which children love to learn, where they drive the choices made about their learning and where they develop social and relationship skills which will last throughout their lives. Our value for September is Friendship.

Star of the Week

Little Acorns: Sammy for his super attention and animal knowledge when playing Animal Lotto.

Wondrous Willows: Charlie for his wonderful magnetic letter word making. Great work Charlie!

Majestic Maples: Archie for his excellent effort and focus in all subjects!

Fantastic Firs: Hector for always having an interesting comment to add to class discussions.

Mighty Oaks: Charlie for a super piece of debate writing about

Stonehenge.

Children's Page

"I have liked playing with Mr. Potato Head". Everlynn, Little Acorns.

"I liked playing with the cars. We learnt about road safety – how to cross the road safely". Josh, Wondrous Willows.

"I enjoyed doing fun jumping games in PE". Marth, Majestic Maples.

"Our science experiment was about melting ice. We also melted chocolate which was everyone's favorite, we put in it our mouths to see how long it would last!". Bethany Fantastic Firs.

"In English we have been learning about ghost stories and adding punctuation into our writing. We have written a diary about Edmund Hillary reaching the top of Mount Everest. In maths we have been learning about long multiplication and long division and it has been really fun!" Maisie Mighty Oaks
