## Curriculum

**As Writers we will:** learn the story of King of the Birds using our Talk 4 Writing story map. We will then box up and innovate the story to make it our own, before writing our very own version! We will then look at a non-fiction text 'Why do people love near volcanoes?'

**As Readers we will:** read and appreciate the story of King of the Birds as our Talk 4 Writing text. We will also study our whole class guided reading sessions, as well as a variety of volcano themed texts too!

**As Mathematicians we will:** partition, represent, estimate, compare and order numbers. Round numbers.

**As Scientists we will:** Identify solids, liquids and gases using their properties, describe melting, freezing, condensing and evaporating, describe the different stages of the water cycle, describe how temperature affects the rate of evaporation and, therefore, the water cycle.

**As Historians we will:** Learn about the Mayan Civilisation.

**As geographers we will:** learn why people live near volcanoes.

**As Design Technologists we will:** explore the concept of mindfulness and writing design criteria to develop a programmed product for timing a mindful moment.

**As Artists we will:** be storytelling through drawing.

**As Musicians we will:** Creating a composition in response to an animation.

**In PE we will:** continue working with Mr Bufton from Shrewsbury Town Football Club to develop our fundamental skills. Our sessions will be on a Wednesday.

**In PSHE we will:** Help others to feel welcome, try to make our school community a better place, think about everyone's right to learn, care about other people's feelings, work well with each other.

**IN RE,** our key question will be: What do the Christians learn from the creation story?

**In computing we will:** learn about computer Systems – The Internet.
