Dear Parent/Carer,

We have received notification, and wanted to make you aware, that your child may have mixed closely with a confirmed case of Covid-19 in school over the last week.

We would ask you to remain vigilant for any symptoms that may develop. A positive LFT test no longer requires a follow up PCR unless you or your child are showing symptoms.

The main symptoms of Covid are a continuous cough, loss of taste and/or smell and a temperature. Precautionary symptoms may include:

- Headaches
- Aches and pains
- Feeling tired without any good reason
- Sore throat
- Runny nose
- Sneezing
- Tummy ache

We know that you may find this concerning, but we are continuing to monitor the situation and will keep you informed.

Thank you for your continued support and co-operation.

The Senior Leadership Team
