Dear Parents and Carers

Over the last two days, we have been informed of a number of positive Covid cases in school, across year groups.

For this reason, we ask that you are particularly vigilant and if your child develops any new symptoms which include: a new continuous cough, a high temperature, tummy ache, sore throat, runny nose or sneezing, that you book them in for a PCR test and keep them at home until a negative result is returned.

With Christmas literally around the corner, we want to do everything we can to make sure that everyone is able to enjoy the festivities without being ill or having to isolate over this period.

Thank you for your support with this and please do not hesitate to contact me if you have any further queries.

Yours sincerely

M Halstead
Head of School
