Friday 15th October 2021

Dear parents and carers,

Unfortunately, as the number of pupils absent from school due to confirmed positive Covid 19 cases has risen we have consulted with Public Health England.

We have been advised that school should continue to operate as normally as possible but with some additional precautionary measures in place.

1. Additional handwashing during the day.
2. Maximum ventilation throughout the day. Your child may want to wear additional layers next week.
3. Additional cleaning of touch points during the day.
4. Pupils will enter and leave their classes via their external classroom doors and **not** via the front door and main corridor.
5. Each class will have a designated space for break time and lunchtime, to avoid unnecessary mixing within the day.
6. Assemblies will be class based.
7. Toilets will be monitored more closely to ensure pupils are not congregating in this area.
8. If you would like your child to wear a mask on school transport or in school, they will need to take responsibility for this.

If your child is absent from school because they have a Covid 19, but remain well, they must access their learning each day via Seesaw.

**Yours Sincerely
Matthew Halstead**
